Efficient & Helpful

“The Pendle team are efficient, helpful and knowledgeable. I first used them 20+ years ago and more regularly for around 15 years and have always found them competitively priced with super-fast delivery. It's a one-stop shop with a wide range of great kits, training equipment, cups, medals and trophies. No need to go anywhere else !”

Billing United FC

The only kit supplier we will ever use

“The only kit supplier we will ever use. Every order is posted out within 2-3 days with no issues unlike other providers when the wait is 4-5 weeks. Pendle is just as good as Nike or Addidas your just paying for their name.”

Date of experience: 16 April 2024

Croft JFC - Tsvetan Yanev

Great service and fast delivery

“We moved our club shop from a different brand recently and it has been great. Fast delivery, really good brand and club emblem prints. Quality seems really good (just arrived so can't give long-term review).

As a bonus they offer the benefit of maintaining sign-on forms on their website which eliminated paper trail and chasing parents to sign CoC or other documentation etc.”

Date of experience: 28 June 2023

Thornton United - Naomi Brown

Highly recommend deffo!!

“As a club, we order a large amount of kits, training gear & equipment. The quality of goods we receive is excellent, along with the quick delivery service via DPD. If ever we do have a problem with anything, I only have to contact them, & it's dealt with straight away. Think as a club we have built up a great relationship with the Pendle Staff Team. Above & beyond Can't thank them enough!!”

Our first womens football shirt! Womens football is one of the fastest-growing sports in the UK and it's only going to get bigger. Many players prefer to play in kits designed to fit them, so we recognised the need to supply our own women's range. Pendle 2.0 Balls

NEW

All our 2.0 balls are made from a new 16 panel construction increasing the area that is in contact with the foot for a cleaner strike.

The Enduro, Vortex and Elite are constructed using Thermo Fusion technology which uses high tension machine stitching and heat bonded sealed seams to create a consistent shape and reduce water intake. They also have embossed grooves ensuring consistent flight through the air and a soft touch foam backing for a premium feel and better control.

The Vortex and Elite match balls have a textured abrasion resistant surface making them highly durable and reliable throughout the season.
